## Greetings from Your Mayor

Dear Citizens,

Welcome to spring and Arbor Daze and our Fiftieth City Celebration. What a great year we are celebrating. With so many gloomy days in winter I know we all look forward to beautiful spring days filled with outdoor activities.

This will be our fifteenth year of our Arbor Daze Celebration and the musical talents, activities, arts and crafts, business tent and food vendors are all looking forward to serving you and providing wonderful entertainment. Please read through all the information inside *Euless Today* and don't forget to get your tickets for the concerts.

At the Arbor Daze concert site on Thursday night, April 24, we will be celebrating our 50th anniversary of the incorporation of the city of Euless. The Trinity High School drama department along with members of the Harmony Choir and the elementary Honors Choir will be performing in a play about our city's history. There will be videos, performances, music, interesting sets and designs and a truly fun night shared with our citizens. Do plan to come and see our talented performers. The carnival area will also be open that evening.

Sunday, May 4, the Library Foundation will host a reception for all the students who participated in the 50th anniversary poster contest. The posters will hang in the library during Arbor Daze week. All students will be recognized and prizes awarded.

In addition to the reception, we will have our 50th anniversary booklet ready for our citizens. Our communication manager, Lori De La Cruz has combined stories, legends and photos in the booklet. All guests who attend the reception will receive a booklet.

This fall we will be honoring our veterans in a special ceremony at the Parks at Texas Star. Please call in names of veterans that have served in any of the armed forces in any conflicts. We will send them invitations to the affair.

During the next few months, the offices in the Administration Building will relocate to other facilities, listed on page 7, while renovation of the building is completed. We expect completion in the late fall season.

The City Council Election will be held on the first Saturday in May at the Euless City Library and at Bear Creek Elementary School. That is May 3. Please check for the early voting times and the candidates running for city council office as well as school board office.

We have several new members of our administration staff and urge you to get to know them. We also have had staff members retire and wish them well. Also, please read about the honors received by our Fire and Police personnel. Congratulations to them and welcome aboard.

We continue to have business development in our city and we have many housing developments going in as well in all parts of the city. Get to know and welcome our new businesses.

Have you noticed some of the improvements on Main Street? There's much more to come. The monument signs and utility placement have really made a difference. We appreciate all the support of our Main Street businesses. Please continue to support all Main Street businesses during the construction process. They are so very important to our city.

We have many, many activities planned for our citizens all spring and summer. Do take advantage of the opportunities available. We always need volunteers and you will find out how much pleasure you gain from volunteering once you begin. Arbor Daze is a great time to start.

Euless citizens make our city so unique and *Together We are Building a Better Tomorrow*. See you at Arbor Daze!

**Remember to cut out the  
FREE Parking Pass Coupon  
on the back cover of  
Euless Today and redeem it at  
Midway Recreation Center.**

## Originally a recreation center, City Hall is getting an overhaul and a facelift

**B**uilt in 1966, the Eules Recreation Center was where you came to play basketball, take recreation classes and attend the very first Arbor Daze, or the "How To Grow Your Lawn and Garden Show."

Over the next nine months, City Hall will be converted into a state-of-the-art facility with a new front entrance facing N. Ector Dr. When the building reopens in December, it will feature new City Council chambers with electronic voting and computer access for Council members. The new stadium seating area will accommodate approximately 100 people.

The Mayor and staff who had offices in Building A have moved to new locations in anticipation of the construction. Although our locations have changed, our phone numbers are still the same. Here's a look at where you can find everyone you need to contact from City Hall:

**The City's Receptionist is now in the main lobby of Building B.**

**Mayor's Office is now in Building B.**

**City Manager's Office is now in Building B.**

Joe Hennig, City Manager  
Gary McKamie, Deputy City Manager  
Linda Turbeville, Executive Secretary  
Terri Goines, Administrative Secretary

**City Secretary's Office is now in Building B.**

Susan Crim, City Secretary  
Becky Null, Deputy City Secretary  
Karen Petty, Records Secretary

**Economic Development Office is now in the Parks and Community Services building at 1314 Royal Parkway.**

Bill Ridgway, Economic Development Director  
Kaye Anderson, Secretary  
Lou Baum, Special Projects Manager

**Communications/Marketing Office is now in the Purchasing area of Building D (old police station).**

Lori De La Cruz, Communications/Marketing Manager

So, next time you see dust flying at the Municipal Complex, you'll know we're "Building A Better Tomorrow" for our citizens.

On Saturday, March 1, Euless expanded its recycling program to include

office paper  
junk mail  
boxboard  
corrugated cardboard

**new!**

*See the complete list of recyclables on the next page!*

To learn more about how Euless recycling program works, visit the new **Recycling Guide** on the City's Web site at:

[www.ci.euless.tx.us/recycling/homepage.html](http://www.ci.euless.tx.us/recycling/homepage.html)

The site contains information on what is collected and what happens to your recyclables once they leave your curb.

There are coloring pages and games that can be printed out, a recycling quiz and an extensive list of recycling resources on the web.

The site will soon include information for recycling at apartment complexes, too!

## Eules' outdoor warning sirens tell residents to go inside

### Quiz time!

Let's say you're outside gardening or playing a pickup basketball game. The already cloudy sky is darkening and the outdoor warning sirens begin to wail. Do you:

- A. ...look around, see nothing out of the ordinary, so you continue with what you're doing?
- B. ...immediately go inside and turn on the TV or radio to see what all the hullabaloo is about?

What about this scenario...you're inside watching cable and you think you may hear the sirens wailing. Do you:

- A. ...go outside into your front yard to have a look around and maybe discuss the goings-on with your neighbors?
- B. ...turn to a local station to see if there's a weather alert?

The answer to both of these questions is **B**.

The purpose of this quiz is to illustrate to residents that the idea behind Eules' outdoor warning system is to get residents who are outside indoors and those who are already inside to turn to the local TV or radio station to find out what's going on.

Although severe weather can occur any time of the year, in Texas it is most common in the spring. It is important to be aware of weather conditions and to stay alert during severe weather.

First, you should know the meanings of terms that are used during severe weather.

A **WATCH** is issued when weather conditions are favorable for the formation of severe weather. During a watch, keep alert to changing conditions and prepare to take protective actions.

A **WARNING** is issued when severe weather has been reported by spotters or is indicated by radar. During a warning, take protective actions immediately.

If a **TORNADO WARNING** is issued for our area, take shelter in an interior room on the lowest floor of the building you are in. Abandon cars or mobile homes and seek shelter in a strong building or lie flat with your arms over your head in a ditch or low-lying area. Do not use your car to try to outrun a tornado.

Since our outdoor warning system is not designed to warn residents who are already indoors, Eules' Emergency Management Office recommends that residents purchase a weather alert radio. These radios are inexpensive, widely available and can be programmed to alert only for severe weather or other emergencies in our area.

If you have any questions, please call the Emergency Management Office at 817-685-1600.

### Arbor Daze Community Work Day

Come help us as we prepare for the 15th Anniversary of Arbor Daze.

The Community Work Day will be Saturday, April 19 from 9 a.m. to 3 p.m. We will meet at the northwest corner of Bear Creek Pkwy. and Hwy. 360.

Wear comfortable clothing.

### Arbor Daze

Volunteers are needed for the National Award Winning "Arbor Daze" festival scheduled for April 25, 26 & 27. We need many people to work in the following areas: Ticket Booths, Concert Security, T-shirt Booth and Plant Sale. Volunteer and have a great time

### Hero's Celebrity Baseball Tournament

The City of Eules is looking for people to help with this special Baseball Tournament on August 2 that benefits the Mike Modano Foundation. We need several people to guard different gates in order to protect our celebrity guests.

### Games of Texas

The City of Eules and five other cities in North East Tarrant County are hosting the Games of Texas July 24-27, 2003. This event is patterned after the Olympics. There are 20 sports at 29 venues. We need approximately 750 volunteers for this event. You have the opportunity to help for such events as Gymnastics, Track, Swimming, Fencing, Softball, Opening Ceremony and much more. More information on the Games of Texas is available on page 19.

For more information or to volunteer for any (or all!) of these events, please contact Jerry Poteet at 817-685-1449 or [jpoteet@ci.eules.tx.us](mailto:jpoteet@ci.eules.tx.us)

## Eules welcomes administrative staff members

In the past few months, Eules has been busy filling administrative vacancies caused by retirements and promotions.

★ **Deitre Burns is the new Community Relations and Events Supervisor.** A few of her responsibilities include developing and maintaining relationships with the private and business sectors of Eules and organizing and implementing the city's special events. She is a graduate of the University of North Texas in Denton and has had previous work experience with the City of Denton and the City of Carrollton in their parks and recreation departments. "I am thrilled to be a part of the City of Eules' Parks and Community Services Department and appreciate this opportunity to be a part of an incredible team," Burns says.

★ **Allen Harts has joined the Engineering staff as Senior Civil Engineer.** He is responsible for reviewing plans for residential and commercial development and managing consultant projects involving improvements to paving, drainage, water and sanitary sewer. He also responds to the needs and requests from citizens concerning drainage and development issues. Harts is a graduate of Texas A&M University and Dallas Baptist University and has spent 10 years with the Texas Department of Transportation and seven years with the City of Arlington.

★ **Paul Smith has taken on the position of Division Chief/Fire Marshal.** He is responsible for the fire prevention division of the Fire Department which is charged with enforcing the laws, rules and regulations concerning fire hazards in the city, performing plan review on new construction, conducting fire code compliance inspections, conducting fire cause and origin investigations and performing public education duties, "among other things," Smith adds. He has a degree in Business Management/Fire Management from Dallas Baptist University and is a graduate of the Executive Fire Officer Program of the National Fire Academy in Maryland. Smith served as the Fire Marshal for the City of Mansfield for 18 years.

★ **Robert Barker, Eules' new City Engineer,** joined us in October 2002 after being City Engineer for The Colony. He manages the overall operation of Engineering including planning, organizing and assisting in directing the design, construction and maintenance of the city's public improvements. Barker earned his civil engineering degree from Texas A&M University. He states that, "I have noticed that there is a caring atmosphere here in Eules for our residents and employees that is exhibited by the Mayor and Council, City Manager and the rest of the city staff."

★ **Mindy McLain is the new Recreation Program Coordinator.** She is responsible for programming and implementing youth and adult activities at the Midway Recreation Center. She is a graduate of the University of North Texas and has had previous work experience with the City of North Richland Hills and the City of Keller. "I am so excited to work for the city and look forward to serving the citizens of Eules," McLain says.

★ **Robert Isbell recently became Eules' new Assistant Fire Chief.** He will be overseeing Fire operations and assisting Chief Lee Koontz with strategic and budget planning and department management. Isbell began in the fire service in 1983 as a firefighter with the Town of Pantego then transferred to the City of Mansfield in 1985. Most recently he served as Fire Chief for Southlake.

★ **Dale Skinner, the Fire Department's Training Officer,** joined Eules in January 2003. He has served in the fire service for 16 years — the last eight years with Southlake's Department of Public Safety. "I'm looking forward to a long career with the City of Eules," Skinner says.

Welcome to everyone!

On January 25, the Fire Department held their annual awards banquet at Campus West. The following employees were recognized for their outstanding service to Eules.

Rookie of the Year  
**Jacob Smith**, Firefighter/Paramedic

EMS Provider of the Year  
**Lance Judd**, Driver Engineer/Paramedic

Driver Engineer of the Year

## Let the Games Begin!

Join us this summer as six cities in Northeast Tarrant County host the ultimate sports festival for Texas amateur athletes. Patterned after the Olympics, the Games of Texas is a challenging four-day competition among Texas' Olympic hopefuls. Twenty events, with sports as diverse as gymnastics and ice hockey, will take place across the cities of Bedford, Colleyville, Euless, Grapevine, Hurst and North Richland Hills.

Come celebrate as we welcome the athletes to the Games of Texas at our Opening Ceremonies where entertainment, the torch lighting and a fireworks display will kick off the events.

For more information about the Games of Texas, to find out where specific events are being held or to learn how you can become a volunteer, please visit [www.gamesoftexas.com](http://www.gamesoftexas.com) or contact your local Parks and Recreation Department. Don't miss out on this exciting Olympic-style competition!

## Special Daze at the Pool

### "2 Fer 1" NIGHTS

Thursday nights, two people for the price of one.

### FATHER'S DAY

June 17 all fathers get in free with their child.

### INDEPENDENCE DAY

July 4, ice-cold watermelon slices served to all patrons at each pool.

### Personal Flotation Devices

Although, personal flotation devices, i.e. water wings, raft, inner tubes, etc., offer fun and enjoyment, many accidents and drownings have attributed to the use of these devices. Therefore, the City of Euleless does not allow the use of any flotation devices. The only exception to this policy would be Coast Guard approved flotation devices.

## Swimming Pool Reservations

Pools may be reserved for private parties during non-public swim hours.

Only adults may make reservations.

**Rental Rates: \$70 (2-hour rental)**

Includes Lifeguard fee up to 50 swimmers. Depending upon group size and patrons attending, additional Lifeguards may be required. For each additional Lifeguard, a fee of \$10 per hour will be added to the reservation cost. Call 817-685-1649 to make reservations.

## A Word To Our Parents

Our lifeguards are highly trained and skilled. Their jobs are to assist in making our facilities a safe place to bring the family. However, they are not babysitters. Parents are expected to watch their children and to assist in enforcing the policies for the safety and enjoyment of all.

## AMERICAN RED CROSS SWIM LESSONS
